## 6 Steps to Deal with Too Many Ideas

Do you have "too many ideas"? People keep telling me this. What they really mean is that they have more ideas than they have time or focus or criteria for selection. "Too many ideas" is a good thing. It means you have enthusiasm and energy, but raw ideas can create writer's block. Here are the six steps to refine your gusher of "too many ideas" into business success.

**1. Do a mind dump.** List all your ideas writing in a journal or on your computer. As long as those ideas float around your mind, you can't let anything new come in or see how the ideas fit together.
